

2007 Private Property Tree Purchase Program

Want to beautify your property? Residents can purchase trees through the Village at wholesale prices until Friday, October 26. Your trees will be delivered in early May to a designated front yard or rear yard location, along with planting information. Residents are responsible for planting their trees. Although warranties are not included, mortality rates are generally very low when trees are properly planted and cared for. You may also want to contact an area landscaping company for additional assistance. Information and photos of the plant species are available online at: <http://www.beavercreeknursery.com/genuslist.cfm>

If you are interested in purchasing one or more trees, please complete the order form below and submit it along with payment to: Village of River Forest, 400 Park Avenue, River Forest, IL 60305. Payment must be remitted by Friday, October 26. *Nursery availability and quantities change frequently. Please return this form promptly for best selection.*

ORDER FORM
